# McCormick & Company Named to Barron's 2021 100 Most Sustainable Companies List for the Fourth Consecutive Year

February 16, 2021

HUNT VALLEY, Md., Feb. 16, 2021 /PRNewswire/ -- McCormick & Company, Incorporated (NYSE: MKC), a global leader in flavor, was recognized on the 2021 Barron's 100 Most Sustainable Companies list released by *Barron's Magazine* in February. McCormick ranked 56th overall and was the No. 1 food company.  2021 marks the fourth consecutive year that McCormick has been named on this prestigious list.

"It is an honor to be recognized as one of Barron's 100 most sustainable companies for the fourth year in a row. Our appearance on this distinguished list emphasizes McCormick's commitment to doing what's right for people, communities, and the planet we share," said Lawrence E. Kurzius, Chairman, President and CEO of McCormick & Company. "McCormick continues to make progress toward our 2025 Purpose-led Performance goals. As a leader in sustainability, we are reducing our impact on the planet while driving clean revenue, delivering renewable energy projects and following through on our commitment to achieve 100% circular plastic packaging that can be reused, recycled or repurposed."

To determine the rankings, Barron's partnered with Calvert Research & Management to analyze the 1,000 largest publicly held companies by market capitalization with headquarters in the United States. Each company was assessed against performance indicators in five categories: shareholders, employees, customers, community, and planet.
