Report of Independent Registered Public Accounting Firm

Investment Committee
McCormick & Company, Incorporated

We have audited the accompanying statements of net assets available for benefits of The McCormick 401(k) Retirement Plan as of November 30, 2003 and 2002, and the related statements of changes in net assets available for benefits for each of the three years in the period ended November 30, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at November 30, 2003 and 2002, and the changes in its net assets available for benefits for each of the three years in the period ended November 30, 2003, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held at end of year as of November 30, 2003 is presented for purposes of additional analysis, and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

The McCormick 401(k) Retirement Plan

Notes to Financial Statements

November 30, 2003

1. Description of the Plan

The McCormick 401(k) Retirement Plan (the Plan) is a defined contribution plan sponsored by McCormick & Company, Incorporated (the Company), which incorporates a 401(k) savings and investment option.

Effective March 22, 2002, the Plan was amended to provide that the McCormick Stock Fund investment option is designated as an employee stock ownership plan (ESOP). This designation allows participants investing in McCormick stock to elect to receive, in cash, dividends that are paid on McCormick stock held

in their 401(k) Retirement Plan accounts. Dividends may also continue to be reinvested.

The following description of the Plan provides only general information. Further information about the Plan agreement, eligible employees, the vesting provisions, and investment alternatives are contained in the Plan Document.

Participating employees contribute to the Plan through payroll deductions in amounts ranging from 1% to 60% of their earnings.

Effective December 1, 2000, the Company and participating subsidiaries provide a matching contribution of 100% of the first 3% of an employee's contribution, and 50% on the next 2% of the employee's contribution. An employee is required to have one year of service with the Company to be eligible for the matching contribution.

Participants are immediately vested in their contributions, the Company's contributions including matching contributions, and all related earnings.

8

Participants' elective contributions, as well as Company matching contributions, are invested in the Plan's investment funds as directed by the participant.

Participants are permitted to take loans against their contributions to the Plan, subject to a \$500 minimum. The maximum of any loan cannot exceed one-half of the participant's contributed account balance or \$50,000, less the highest outstanding unpaid loan balance during the prior 12 months, whichever is less. The Company's Investment Committee determines the interest rate for loans based on current market rates. Loan repayments, including interest, are made by participants through payroll deductions over loan terms of up to five years. Longer loan terms are available for loans taken to purchase, construct, reconstruct, or substantially rehabilitate a primary home for the participant or the participant's immediate family.

Upon termination of service, a participant with an account balance greater than \$5,000 may elect to leave their account balance invested in the Plan, elect to rollover their entire balance to an Individual Retirement Account (IRA) or another qualified plan, elect to receive a lump-sum payment equal to their entire balance, or elect annual installments to extend from two to eight years. Upon termination of service, a participant with an account balance less than \$5,000 may elect to rollover their entire balance to an IRA or another qualified plan or elect to receive a lump-sum payment equal to their entire balance.

On August 12, 2003, the Company completed the sale of substantially all of the operating assets of its packaging segment (Packaging) to the Kerr Group, Inc. As a result of the sale transaction a substantial number of Packaging employees were terminated from employment with the Company and hired by the Kerr Group, Inc. Distributions from the Plan relating to the sale of Packaging have been included within participant withdrawals on the Statement of Changes in Net Assets.

The Company intends to continue the Plan indefinitely. The Company reserves the right to terminate the Plan, or to reduce or cease contributions at any time, if its Board of Directors determines that business, financial, or other good causes make it necessary to do so, or to amend the Plan at any time and in any respect, provided, however, that any such action will not deprive any participant or beneficiary under the Plan of any vested right.

9

2. Significant Accounting Policies

The financial statements of the Plan are prepared on the accrual basis of accounting.

Valuation of Securities and Income Recognition

Investments are stated at aggregate fair value. Securities traded on a national securities exchange or included on the NASDAQ National Market List are valued at the last reported sales price on the last business day of the plan year. Investments for which no sale was reported on that date are valued at the last reported bid price.

The change in the difference between fair value and the cost of investments is reflected in the statement of changes in net asset available for benefits as net unrealized appreciation or depreciation of investments.

The net realized gain or loss on disposal of investments is the difference between the proceeds received and the average cost of investments sold. Expenses relating to the purchase or sale of investments are added to the cost or deducted from the proceeds.

The McCormick Stock Fund (the Fund) is tracked on a unitized basis. The Fund consists of McCormick common stock and funds held in the Wells Fargo Short-term Investment Money Market Fund sufficient to meet the Fund's daily cash needs. Unitizing the Fund allows for daily trades. The value of a unit reflects the combined market value of McCormick common stock and the cash investments held by the Fund. At November 30, 2003, 6,866,121 units were outstanding with a value of \$17.35 per unit (5,802,733 units were outstanding with a value of \$18.46 per unit at November 30, 2002).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Administrative Expenses

Administrative services are provided by the Company which serves as the Plan Sponsor, without cost to the Plan; however, custodial trustee and investment advisors' fees and other direct expenses are paid by the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and

assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual amounts could differ from those estimates.

3. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service (the IRS) dated February 25, 2004, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. This determination letter covers all amendments to the Plan since its inception and original qualification. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and the related trust is tax-exempt.

4. Investments

The Plan's investments are held in bank-administered trust funds. The custodial trustee of the Plan is Wells Fargo Bank Minnesota N.A. During 2003, 2002 and 2001, the Plan's investments (including investments bought, sold, or held throughout the year) appreciated/(depreciated) in fair value by \$36,168,142, \$(10,869,505) and \$(4,274,382), respectively, as follows:

	Year ended November 30		
	2003	2002	2001
	Net Appreciation (Depreciation) in Fair Value During Year	Net Appreciation (Depreciation) in Fair Value During Year	Net Appreciation (Depreciation) in Fair Value During Year
McCormick & Company, Incorporated—common stock	\$ 21,208,553	\$ 10,624,712	\$ 12,810,745
Mutual funds	14,959,589	(21,494,217)	(17,085,127)
Total	\$ 36,168,142	\$ (10,869,505)	\$ (4,274,382)

The Plan's interest and dividend income for the years ended November 30, 2003, 2002, and 2001 was \$3,641,365, \$3,516,469 and \$4,028,171, respectively.

The fair value of individual investments that represent 5% or more of the Plan's net assets are as follows:

	November 30	
	2003	2002
McCormick & Company, Incorporated—common stock fund	\$ 119,148,609	\$ 107,135,189
Mutual Funds:		
Fidelity Magellan Fund	41,360,116	39,056,119
Fidelity Growth & Income Portfolio Fund	38,015,194	37,360,589
Wells Fargo Stable Return Fund	25,682,609	29,031,355
Fidelity US Bond Index Fund	16,240,275	19,589,872

5. Transactions with Parties-in-Interest

Fees paid during the year for legal, accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
